To: The Shareholders of Kumpulan Fima Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE (PROPOSED SHAREHOLDERS' MANDATE)

1. INTRODUCTION

The Company had at its 52nd AGM held on 29 August 2024, obtained mandate from its shareholders to enter into RRPT with Related Parties ("Existing Mandate"). The Existing Mandate shall lapse at the conclusion of the forthcoming 53rd AGM, unless it is renewed at the forthcoming 53rd AGM.

The Company had on 30 June 2025, announced its intention to seek shareholders' approval for the proposed renewal of the Existing Mandate ("Proposed Shareholders' Mandate") at the forthcoming 53rd AGM. The Proposed Shareholders' Mandate will take effect from the date of passing the resolution at the forthcoming 53rd AGM until the next AGM of the Company in year 2026.

The purpose of this Circular is to provide you with information on the Proposed Shareholders' Mandate together with your Directors' recommendation and to seek your approval for the resolution to be tabled at the forthcoming 53rd AGM. The Notice of the 53rd AGM, Administrative Guide for the 53rd AGM and Proxy Form are enclosed together with the Company's Annual Report 2025 and can be downloaded at the Company's website at <https://www.fima.com.my/agm.html>.

Shareholders are advised to read the contents of this Circular carefully before voting on the ordinary resolution pertaining to the Proposed Shareholders' Mandate at the forthcoming 53rd AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Shareholders' Mandate

Pursuant to Paragraph 10.09(2) of the Listing Requirements, the Company may seek its shareholders' mandate in respect of RRPT subject to, *inter-alia*, the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Parties than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (iii) the circular to shareholders for the shareholders' mandate includes the information as may be prescribed by Bursa Securities;
- (iv) in a meeting to obtain shareholders' mandate, the relevant Related Parties must comply with the requirements set out in Paragraph 10.08(7) of the Listing Requirements; and
- (v) the Company must immediately announce to Bursa Securities when the actual value of the RRPT entered into by KFima Group exceeds the estimated value of the RRPT disclosed in this Circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Accordingly, the Board is seeking shareholders' approval for the Proposed Shareholders' Mandate from the date of the forthcoming 53rd AGM to the next AGM. The RRPT is conducted in the ordinary course of business with the Related Parties and are on normal commercial terms which are no more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company. The RRPT will also be subject to the review procedures set out in section 2.7 of this Circular.

2.2 Validity Period of the Proposed Shareholders' Mandate

The Proposed Renewal of Shareholders' Mandate, if approved, shall take effect from the date of the forthcoming 53rd AGM, be subject to annual renewal and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company following this 53rd AGM, at which time the mandate will lapse, unless by an ordinary resolution passed at general meeting, the mandate is renewed; or
- (ii) the expiration of the period within which the next AGM of the Company after that date is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by ordinary resolution passed by the shareholders in a general meeting,

whichever is earlier.

Thereafter, approval from shareholders will be sought for the Proposed Shareholders' Mandate at each subsequent AGM, if necessary.

2.3 Class of Related Parties

The principal activities of KFima are those of investment, property holding and trading. Details of KFima's subsidiaries are set out in Appendix I of this Circular.

Shareholders' approval is sought for the Proposed Shareholders' Mandate involving RRPT which are carried out by KFima Group with FimaCorp Group (collectively referred to as "FIMA Group"), and Related Parties including but not limited to those as listed in Appendix I of this Circular.

Details of shareholdings of KFima in FimaCorp is set out in Section 2.10 of this Circular.

2.4 Nature of the RRPT and Estimated Values

KFima is seeking approval from the shareholders for KFima Group to enter into RRPT with Related Parties on terms not more favourable to the Related Parties than those generally available to and/or from the public, where applicable, and are not detrimental to the minority shareholders of KFima.

In view of the diversity of the KFima Group's businesses, it is envisaged that in the normal course of business of the KFima Group, transactions in respect of goods and/or services between companies in the KFima Group, FimaCorp Group and other Related Parties will occur with some degree of frequency from time to time and may arise at any time.

The Management and Support Services are part of the shared services of companies within FIMA Group. These shared services are provided in-house in order to align with FIMA Group's corporate objectives and management disciplines and to reduce operating cost and improve efficiency such as through economies of scale, better utilisation and allocation of resources, standardisation of processes and operating procedures and IT. Accordingly, the Board considers it beneficial to enter into transactions in respect of the Management and Support Services. The Management and Support Services are carried out on commercial terms, on terms not more favourable to the Related Parties than those generally available to and/or from the public, where applicable, and which will not be, in the Board's opinion, detrimental to the minority shareholders of the Company.

Details of RRPT carried out/contemplated shall include, but not limited to, those described below:

Transaction	Seller/ Provider	Buyer/ Recipient	Related Parties	Estimated Annual Value Disclosed in the Preceding Year's Circular RM'000	Actual Value of Transactions from 30 August 2024 to the LPD RM'000	Estimated Value of Transactions During Validity Period RM'000
(1) Sale of frozen fish	KFima	IFC	Major Shareholders Dr. Roshayati Binti Basir Rozana Zeti Binti Basir BHR Directors Dato' Roslan Bin Hamir Rozana Zeti Binti Basir Datin Rozilawati Binti Haji Basir Persons Connected Persons Connected to Major Shareholders (refer to section 2.10)	45,000	8,682	45,000
(2) Provision of management support services	KFima	FimaCorp Group		2,500	1,360	2,500

(7) Provision of advisory services	BHR	KFima Group		500	100	500

The estimated aggregate values for the RRPT are calculated based on the expected values of the transactions over the course of the Validity Period. Accordingly, the actual value of the transaction may vary from the estimated.

2.5 Amount Due and Owing by the Related Parties

The breakdown of the principal sum and interest for the total outstanding amount due under the mandated RRPT referred to in Section 2.4 on the sale of frozen fish, which have exceeded the credit term as at the end of the financial year ended 31 March 2025 are as follows:

Transacting Party	Principal Sum RM'000	Interest Charges (4.5% per annum) RM'000	Amount Owing from Transacting Parties as at 31 March 2025 Exceeding Credit Term (RM)			
			1 year or less RM'000	1 to 3 years RM'000	3 to 5 years RM'000	More than 5 years RM'000
IFC	13,906	11,229	3,320	2,752	13,744	5,319

The Company imposes an interest of 4.5% per annum on the outstanding amount. The management monitors and analyses the outstanding amounts on a regular basis and has and will continue to meet and discuss with IFC for settlement of the outstanding amounts. Notwithstanding the foregoing:

1. Monthly statements are issued to IFC in respect of the said amounts; and
2. Details of the outstanding amounts and the repayments made are also tabled and discussed at the Audit and Risk Committee Meetings.

The Board and the Audit and Risk Committee have reviewed the outstanding amounts and are of the opinion that the same were part of the Group's normal business operations, and are confident that the amount is recoverable as IFC is financially healthy and has had a long-standing business relationship with the Group. The Board, and the Audit and Risk Committee also takes into account the shortage of foreign currency in Papua New Guinea, which has among others, made the process of remitting payments overseas to take much longer.

2.6 Rationale and Benefits

The RRPTs to be entered into by our Group are in the ordinary course of our business. They are recurring transactions of a revenue or a trading nature which are likely to occur with some degree of frequency. These RRPTs may be time sensitive by nature, making it impractical to seek your approval on a case-to-case basis before entering into such transactions. As such, our Board is seeking your approval for the Proposed Shareholders' Mandate under Paragraph 10.09 of the Listing Requirements for these RRPTs.

The Proposed Shareholders' Mandate would substantially reduce the time, administrative requirements, inconvenience and expense associated with the convening of general meetings on an ad hoc basis, without compromising our corporate objectives or adversely affecting the business opportunities available therein.

The RRPTs are intended to meet the business needs of our Group at the best possible terms, enabling us to access all potential markets and explore beneficial business opportunities for our Group. Over time, our dealings with the Related Parties have fostered a strong mutual understanding of each other's operations, business needs and expectations, thus providing a platform for transactions that are not only efficient but also mutually advantageous.

2.7 Review Procedures for the RRPT

To ensure that the RRPT are undertaken on an arm's length basis and on commercial terms consistent with our Group's usual business practices and policies and on terms not more favourable to the Related Parties than those generally available to the public, where applicable, and are not, in the Company's opinion, detrimental to the minority shareholders, our Group adheres to the following procedures and principles:

- (i) the Related Party(ies) will be advised that the RRPT are subject to the annual shareholders' mandate and will also be advised of the review and disclosure policies;
- (ii) our Group will ensure that the RRPT are only entered into after taking into account the pricing, quality and level of service. The transaction prices, terms and conditions shall be determined by market forces, under similar commercial terms, business practices or otherwise in accordance with other applicable industry norms;
- (iii) policies on conflicts of interest which require Directors and employees to act in good faith at all times in the best interest of the companies within our Group;
- (iv) the rental of properties shall be at the prevailing market rates for the same or substantially similar properties and shall be on commercial terms;
- (v) tendering procedures to ensure that competitive bidding principles are observed in the procurement of goods and services. These include the setting up of tender committees, and having a sufficient number of vendors normally not less than three (3) to bid where all priced bids received are on a sealed basis and are appropriately documented as well as witnessed upon opening;
- (vi) the RRPT shall be reviewed by the Company's internal auditors and presented to the Audit and Risk Committee on a quarterly basis. The Audit and Risk Committee will also review the internal audit reports pertaining to the RRPT to ascertain that the guidelines and procedures to monitor the RRPT have been complied with; and
- (vii) the Company will also maintain a record of all RRPT carried out pursuant to the Proposed Shareholders' Mandate and will be made available by the management to the external auditors, internal auditors and the Audit and Risk Committee for their review.

Where any Director or Persons Connected has an interest (direct or indirect) in any related party transactions, such Director (or his alternate) shall abstain from voting on the matter. Where any member of the Audit and Risk Committee is interested in any transaction, the said member shall abstain from deliberation and voting on the particular resolution in approving the transaction.

2.8 Approval Thresholds

There are no specific thresholds for approvals of RRPT within our Group. However, all RRPT are subject to the approval of Group Managing Director upon recommendation made by senior management, subject to the provisions in the Listing Requirements and/or the Act, where necessary. Where any Director has interest, direct and/or indirect in a transaction, the said Director shall abstain from deliberation and voting on the particular resolution in approving the transaction.

2.9 Statement by the Audit and Risk Committee

The Audit and Risk Committee is of the view that the stipulated procedures in section 2.7 of this Circular are sufficient to ensure that the RRPT will be transacted on an arm's length basis, on terms not more favourable to the Related Party(ies) than those generally available to and/or from the public, and are not detrimental to the minority shareholders of KFima.

In addition, the Audit and Risk Committee is also of the view that the Company has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner and the said procedures and processes are reviewed on quarterly basis or whenever the need arises.

STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The shareholders of the Company had on 29 August 2024 approved, *inter-alia*, the authority for the Company to purchase such number of Shares of up to ten percent (10%) of the prevailing total number of issued shares of the Company. In accordance with the Listing Requirements, the said authority will expire at the conclusion of the forthcoming 53rd AGM of the Company unless authority for its renewal is obtained from shareholders of the Company.

Accordingly, on 30 June 2025, the Company announced to Bursa Securities its intention to seek shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 53rd AGM of the Company in accordance with Section 127 of the Act, the Constitution and the Listing Requirements.

The purpose of this Statement is to provide you with information on the Proposed Renewal of Share Buy-Back Authority together with your Directors' recommendation and to seek your approval for the resolution to be tabled at the forthcoming 53rd AGM.

Shareholders are advised to read contents of this Statement carefully before voting on the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority at the forthcoming 53rd AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek the approval from the shareholders of the Company for the renewal of authority to purchase/or hold its own Shares of up to maximum of ten percent (10%) of the total number of issued shares at any point in time through its appointed stockbrokers.

The authority from shareholders, if renewed, shall be effective immediately upon the passing of the ordinary resolution relating to the Proposed Renewal of Share Buy-Back Authority at the forthcoming 53rd AGM and shall be valid until:

- (i) the conclusion of the next AGM of the Company following the general meeting in which the authorisation is obtained, at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (iii) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

The approval of the shareholders on the Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own shares. However, it will allow the Board to exercise the power of the Company to purchase its own shares at any time within the abovementioned time period.

2.1 Quantum

The maximum aggregate number of Shares, which may be purchased by the Company, shall not exceed ten percent (10%) of the issued shares at any point in time. The actual number of Shares to be purchased will depend on, among others, market conditions and sentiments of Bursa Securities as well as the retained earnings and financial resources available to the Company as at the point of purchase.

As at LPD, the Company has issued 284,172,000 Shares. Hence, the maximum number of KFima Shares that can be purchased and/or held by the Company pursuant to the Proposed Share Buy-Back is 28,417,200 KFima Shares, representing ten percent (10%) of the issued shares of the Company.

2.2 Funding

The Proposed Share Buy-Back pursuant to the Proposed Renewal of Share Buy-Back Authority may be funded through internally generated funds and/or external bank borrowings and the amount allocated for the Proposed Share Buy-Back will not exceed the aggregate amount of the Company's retained earnings. All Purchased Shares may be cancelled or retained as treasury shares or a combination of both. Treasury shares may be distributed as share dividends, resold on Bursa Securities and/or cancelled.

The actual amount of funds to be utilised for the Proposed Share Buy-Back will only be determined later depending on the actual number of Shares to be purchased, the availability of funds as at the point of purchase and other relevant cost factors.

The Proposed Share Buy-Back, if funded via internally generated funds, is not expected to have a material impact on the Company's financial position. In the event the Proposed Share Buy-Back is funded through external bank borrowings, the Board will ensure that the Company has sufficient funds to repay such borrowings and that the repayment thereof would not have any material effect on the Company's cash flow position. In addition, the Board will also ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before implementing the Proposed Renewal of Share Buy-Back Authority. As at 31 March 2025, the Company's audited retained profits stood at RM184,440,238.

2.3 Pricing

Pursuant to the Listing Requirements, the Company may only purchase its own shares at a price which is not more than fifteen percent (15%) above the weighted average market price ("WAMP") of KFima Shares for the past five (5) Market Days immediately preceding the date of the purchase(s) and the Company may only resell the purchased KFima Shares held as treasury shares on Bursa Securities at:

- (i) a price which is not less than the WAMP of KFima Shares for the five (5) Market Days immediately before the date of the resale or transfer; or
- (ii) a discounted price of not more than five percent (5%) to the WAMP of KFima Shares for the five (5) Market Days immediately before the date of the resale or transfer provided that:
 - (a) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of KFima Shares being resold or transferred.

KFima will make the relevant announcement in the event of each purchase or resale of such KFima Shares.

2.4 Treatment of Purchased Shares

In accordance with Section 127(4) of the Act, the Directors may deal with the Purchased Shares in the following manner:

- (i) cancel the Shares so purchased; or
- (ii) retain the Purchased Shares as treasury shares for distribution as share dividends to the shareholders of the Company and/or resell through the stock market of Bursa Securities in accordance with the relevant rules of Bursa Securities; or
- (iii) retain part of the Purchased Shares as treasury shares and cancel the remainder.

Accordingly, based on Section 127(7) of the Act, where such Shares are held as treasury shares, the Directors may, at their discretion:

- (i) distribute the Shares as dividends to the shareholders, such dividends to be known as “share dividends”;
- (ii) resell the Shares or any of the purchased Shares in accordance with the relevant rules of Bursa Securities;
- (iii) transfer the purchased Shares or any of the purchased Shares for the purposes of or under an employees’ share scheme;
- (iv) transfer the purchased Shares or any of the purchased Shares as purchase consideration;
- (v) cancel the purchased Shares or any of the purchased Shares; or
- (vi) sell, transfer or otherwise use the purchased Shares for such other purposes as the Minister may by order prescribe.

The actual number of KFima Shares to be purchased, the total amount of funds involved for each purchase and the timing of each purchase will depend on the market conditions and sentiments of the stock market and the financial resources available to the Company.

Appropriate announcement(s) and/or notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board’s decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act.

3. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back has the following potential benefits for the Company and its shareholders:

- (i) the Company may be able to stabilise the supply and demand of KFima Shares traded on the Bursa Securities and thereby support its fundamental value;
- (ii) if the KFima Shares bought back by the Company are cancelled, shareholders are likely to enjoy an increase in the value of their investment in the Company as the net earnings per share of the Company will increase;
- (iii) if the KFima Shares bought back are kept as treasury shares, it will give the Board an option to sell the KFima Shares so purchased at a higher price and therefore make an exceptional gain for the Company; and
- (iv) KFima Shares so purchased may be distributed to shareholders as dividends and serve as reward to the shareholders of the Company.

The Proposed Share Buy-Back will, however, utilise the financial resources of KFima and may need to be balanced against investment opportunities and other shareholders’ value proposals. The Directors in exercising any decision on the Proposed Share Buy-Back will be mindful of the interest of the Company and its shareholders.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The potential advantages of the Proposed Share Buy-Back are outlined in section 3 of Part B of this Statement.

The potential disadvantages of the Proposed Share Buy-Back, if implemented, are as follows:

- (i) the Proposed Share Buy-Back will reduce the financial resources of the Company and might result in the Group foregoing other alternative investment opportunities which may emerge in the future; and
- (ii) as the Proposed Share Buy-Back is subject to the retained profits of the Company, it may result in the reduction of financial resources available for distribution as dividends or bonus issues to the shareholders of the Company in the immediate future.

The Board is mindful of the interests of the Company and that of its shareholders in undertaking the Proposed Share Buy-Back. The Proposed Share Buy-Back is not expected to cause any potential material disadvantage to the Company and its shareholders as any share buy-back exercise shall be undertaken after an in-depth consideration of the financial resources and resultant impacts on the Group.

In any event, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before implementing the Proposed Share Buy-Back.

5. FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

The financial effects of the Proposed Share Buy-Back are as follows:

5.1 Share Capital

The Proposed Share Buy-Back is not expected to have any effect on the share capital of the Company if the Purchased Shares are retained as treasury shares. Nevertheless, certain rights attached to the treasury shares in relation to voting, dividends and participation in other distributions or otherwise will be suspended. The Act prohibits such treasury shares to be taken in calculating the number or percentage of shares in the Company for any purpose whatsoever on substantial shareholdings, takeovers, notices, requisitioning of meetings, quorum for a meeting and results of a vote on a resolution at a meeting.

However, in the event that the Proposed Share Buy-Back is carried out in full and all the shares acquired are cancelled, the share capital of the Company will be reduced as follows:

	<u>No. of Shares</u>
Share capital as at LPD (including the existing treasury shares)	284,172,000
Less: Cancellation of KFima Shares bought back (up to 10% of the existing share capital)	(28,417,200)
Share capital upon completion of the Proposed Share Buy-Back	255,754,800

5.2 Net Assets

The effect of the Proposed Renewal of Share Buy-Back Authority on the NA per KFima Share will depend on the purchase price of KFima Shares, the effective funding cost to KFima to finance the purchase of the KFima Shares and/or any loss of interest income to the Company and whether the KFima Shares are cancelled, retained as treasury shares or resold on Bursa Securities.

If all the KFima Shares purchased are cancelled and the purchase price exceeds the NA per KFima Share at the time of purchase, the Proposed Share Buy-Back will reduce the NA per KFima Share. Conversely, the NA per KFima Share will increase if purchase price is less than the NA per KFima Share at the time of purchase.

If the treasury shares are resold on Bursa Securities, the NA per KFima Share will increase if the Company realises a gain from the resale, and vice versa. If the treasury shares are distributed as share dividends, the NA per KFima Share will increase by the cost of the treasury shares.

5.3 Working Capital

The Proposed Share Buy-Back will reduce the working capital of the KFima Group, the quantum of which would depend on the purchase price of the KFima Shares, the number of KFima Shares purchased and the effective funding cost and/or loss of interest income of the Company.

However, the financial resources of the KFima Group may be restored upon the resale of the Purchased Shares which are held as treasury shares.

5.4 Earnings

Whether the KFima Shares to be purchased under the Proposed Share Buy-Back are maintained as treasury shares or cancelled, will result in lower number of KFima Shares being used for the purpose of computing the EPS of the Company.

The extent of the effects of the Proposed Share Buy-Back on the EPS of the KFima Group will depend on the actual number of KFima Shares bought back, the purchase prices of KFima Shares and the effective cost of funding or any loss in interest income to the Group. Assuming that the KFima Shares purchased are retained as treasury shares and resold, the effects on the earnings of the KFima Group will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

If the KFima Shares so purchased are cancelled, the Proposed Share Buy-Back will increase the EPS of the KFima Group provided the income foregone and/or interest expense incurred on the KFima Shares purchased is less than the EPS before the share buy-back.

6. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

Assuming the Proposed Share Buy-Back is carried out in full by the Company, the proforma effects of the Proposed Share Buy-Back on KFima's substantial shareholders and Directors as at LPD are as follows:

The Board is mindful of the requirement that any purchase of KFima Shares by the Company must not result in a public shareholding spread of less than 25% of its total listed shares.

8. IMPLICATIONS ON THE CODE

As it is not intended for the Proposed Renewal of Share Buy-Back Authority to trigger the obligation to undertake a mandatory offer under the Code by any of the Company's substantial shareholders and/or persons acting in concert with them, the Board will ensure that such number of Shares are purchased, retained as treasury shares, cancelled and/or distributed pursuant to the Proposed Share Buy-Back would not result in the triggering of any mandatory offer obligation on the part of the Company's substantial shareholders and/or persons acting in concert with them. In this connection, the Board is mindful of the requirements when making any purchase of KFima Shares pursuant to the Proposed Renewal of Share Buy-Back Authority.
